## MCC Update on COVID-19 Spread

December 12, 2020

Dear Centre Presidents and Community,

السلام عليكم ورحمة الله وبركاته

Assalamu Alaykum Warahmatu Allah wabarakatuhu:

As most of us know, now there are new additional restrictions enforced by Alberta Govt. that affect our Masajid and events. Now the government of Alberta allows only 15% capacity effective immediately Sunday December 13, 2020. Please ensure implementation of the following in all MCC Centers:

- **Attendance at our places of worship is limited to 15% of building's fire code capacity, while also requiring masks and physical distancing.**

Doors be closed when the Masjid is 15% of Capacity. Next prayer may be arranged after everyone exits. For additional details on "Places of Worship" please refer to the following link:

<https://www.alberta.ca/enhanced-public-health-measures.aspx>

Government enforcement: *Failure to comply public health order can lead to \$1,000 fine. Additionally, one can be prosecuted for up to \$100,000 for a first offense.*

These guidelines are subject to change and will be updated as needed. I appreciate the collaboration of all community brothers and sisters as we continue to fight COVID-19 together and follow the Alberta Government guidelines.

Jazakum Allah Kheir

جزاكم الله خير

Your Brother,

Mohamed Charanek  
Chairman MCC
